

A RESOLUTION BY

Telicia A. Moore

04-R-0345

A RESOLUTION AUTHORIZING THE MAYOR TO APPLY FOR AND ACCEPT FUNDING FROM THE US DEPARTMENT OF TRANSPORTATION FEDERAL HIGHWAY ADMINISTRATION FROM THE INTELLIGENT TRANSPORTATION SYSTEMS PROGRAM IN AN AMOUNT NOT TO EXCEED \$5 MILLION TO BE MATCHED WITH A MAXIMUM OF \$1 MILLION FROM LOCAL SOURCES AND FOR OTHER PURPOSES.

WHEREAS the Federal Highway Administration, US Department of Transportation has announced funding for the Intelligent Transportation systems Program with an 80/20 share between federal and City contributions for a total project budget of \$5 million; and

WHEREAS this information technology (IT) project would deal with Intelligent Transportation Systems and the impact of construction on transportation, and allow the Department of Watershed Management, and other City Departments, to schedule and coordinate construction activities in order to predict and minimize transportation impacts on the City's water and wastewater systems, and other infrastructure and public works projects; and

WHEREAS the Department of Watershed Management will be conducting extensive construction activities for drinking water and wastewater projects for the next several years, and will be conducting and funding the construction and coordination activities ; and

WHEREAS this Federal funding would help defray those costs and expand the activities to include construction projects from other Departments.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ATLANTA, GEORGIA AS FOLLOWS:

Section 1: That the Mayor is hereby authorized to apply for and accept funding from the US Department of Transportation, Federal Highway Administration in an amount not to exceed \$5 million from the Intelligent Transportation Systems Program.

Section 2: That matching funds, in an amount not to exceed \$1 million may be transferred to the Intergovernmental Grant Fund by the Chief Financial Officer when necessary to match federal funds.
